Featured Product: Seed Sticks

Grow your own promotion with this fantastic product! Seeds sticks are a unique promotional item that you can tailor to your specific campaign that will create a lasting impression! All you have to do is simply open the seedbook packet flap, tear off a seedstick and plant it up to the depth line in soil or compost.

Choose from a variety of seeds – including drought tolerant seeds.

Current Marketing Trends Survey

Allwag Promotions have been conducting a survey to find out whether the 'credit crunch' has had an effect on marketing budgets and what are the purchasing priorities for this year.

To take part in this survey and to receive a FREE stapleless stapler please [click here](#).

'Go Green' Week Competition

The winner of our Go Green Week Competition for the most innovative and unique environmental campaign is the environment team from **Nottingham Trent University!** Their campaign included a plastic bag amnesty and they used their £250 towards a Fairtrade Tuck Hamper for Fairtrade Fortnight. For more information of the winning campaign please [click here](#).

Allwag Promotions is Strictly Walking at The Playtex MoonWalk

A team from Allwag Promotions have been rigorously training ahead of their Playtex Moonwalk challenge on 16th May. The team which consists of Angela, Sue, Ciarra & other friends & family are taking on the 26.2 miles in aid of raising money for cancer charities. To sponsor the team & help them reach their £2,000 target [click here](#)

Congratulations to Emma

A big congratulations to Emma Brady from Allwag Promotions who has just passed her BPMA Professional Certificate in Promotional Merchandise with a distinction. Next week she is going to the Houses of Parliament to receive her industry recognised accreditation.
