

## Colour Options

Whilst every care has been made for colour accuracy on all illustrations, there may be slight variations to the finished product due to the nature of lithographic printing of this catalogue and the manufacturing process of the products.

## Quantities\*

Colours 1-7 available in quantities specified. All other colours have a minimum order quantity of 1,000, except for Ad-Clips™ which have a minimum quantity of 5,000.

## RECYCLED OPTIONS\*

Black (2), Blue (4), Green (5) and Red (6) are readily available in recycled plastic in quantities shown in this catalogue. All coloured plastics are available in recycled plastics, however, colours may vary from standard due to the nature and mix of materials used in the recycling process. Please contact our Sales Team to discuss your recycled requirements where they can advise on MOQ.
